If you are not from the Birmingham area-

Will you need to use the HELC apartment while interning?

YES

NO

Year/Semester desiring internship- 2018      2019      2020

Spring

Summer

Fall

\*\*\*\*\*

Because we feel that anyone who plans to work with children and families needs to have “real life” experiences in a quality child development and learning program, most students who intern at Harris Early Learning Center spend the majority of their time working in a classroom with children between the ages of infancy to K4. However, we are open to students interested in other Human Development and Family Study areas of focus: center administration, educational training, parent education, foods/nutrition, etc. Please note what you would like to accomplish in your internship as well as the age/stage of development (1-to 4 years of age/ or infancy, toddler, preschool) you would prefer working with. Add on back if needed.

Thank you for your interest in interning at the Harris Early Learning Center. For a virtual tour, log on to [www.harriselc.org](http://www.harriselc.org) or contact Dr. Robbie Roberts @ 205-252-5060 ext. 203.
