APRIL 2019

April is Autism Awareness Month

As part of World Autism Awareness Month, HELC Parent, Tina Anglin, has set up a table in the Chicka Room. She has put together information for parents, crayons and coloring sheets, along with Autism Awareness goodies. Our hope is to increase knowledge, understanding, and acceptance of people with Autism. Please take a minute to stop by the table with your child at drop off or pick up and don't forget to sign the poster!

Soccer Shots Information

The Parent Representative Group sent an email earlier this week containing registration information for our new extra-curricular activity, Soccer Shots.

Soccer shots offers age-appropriate curriculum with a focus on character development and skill building. Each coach has received extensive training to receive their certification and parents will receive a weekly summary of what their child learned.

The summer program for Soccer Shots will include June and July. You can register

by following this link: <https://centralalabama.ssreg.org/>. Scroll down the page until you see Preschool/Daycare Programs, where you will find our school and your child's classroom.
